Guest Speaker : Alan Thomas Mantell Gwynedd

Welcomed by the Mayor

Mr Thomas explained that the main purpose of his visit was to increase awareness for the scheme, and as Councillors know a lot of people thought you could help spread the word to try and find new volunteers

Looking for individuals that can spare an hour or two a week to volunteer

A dvd was shown that had the opinions of some local people about the scheme and how valuable it is, giving satisfaction and raising confidence of those that volunteer and the highlight of the week for those they visit

Need help to find new volunteers therefore would be grateful if you can spread the word

It was noted that people would be CRB checked and that the families of individuals get to meet the volunteer as part of the process
