The clerk re- iterated the background

A lengthy discussion was held on all 3 topics and decided that we should make suggestions only in order to further discussions

Public Toilets

A lengthy discussion took place about considering to take one toilet over. There were varying views and it was extremely difficult to make a decision of any sort

Suggested

To offer £6000 which is half the amount requested and keep the three toilets open

Salt Bins

A Number made comment that currently most of the salt bins are in one ward. Concerns were made about Gwynedd Councils comments on Health and Safety regulations

Suggested

To contribute £40 per Salt Bin and ask for a full explanation on the Health and Safety side of things that members of the public are allowed to take salt out but we wouldn't be able to fill the bins

Tourist Information Centre

The clerk explained that discussions are still to take but looks promising that someone is keen to take it over (who would wish to discuss partnerships)

Suggested

For the clerk to continue conversations

Meeting closed at 7.05
