<a href="#"><u>C20/0861/14/LL</u></a>	Ysgol Y Gelli Ffordd Bethel, Caernarfon, Gwynedd, LL55 1DU  Gwelliannau i'r darpariaethau parcio, llwybrau troed a ffordd fynediad.	Cytuno efo'r cais (unfrydol), ond nodi nad oedd y cais yn ddigon manwl, er enghraifft dim esboniad clir pan

	Improvements to parking, footpaths and access drive	roedd angen y datblygiad. Roedd y pwyllgor yn teimlo y dylai brawddegau fel “Trees could be planted” ac “Areas could be seeded” gael eu diwygio i “Trees <b>should</b> be planted” ac “Areas <b>should</b> be seeded” / To agree with the application (unanimous), but to note that the application did not provide enough detail, for example no clear explanation as to why the development was necessary. The committee felt that sentences such as “Trees could be planted” and “Areas could be seeded” should be amended to “Trees <b>should</b> be planted” and “Areas <b>should</b> be seeded”
